

Talkeetna Community Council, Inc. Correspondence – Agenda Items – December 5, 2011 Meeting

Date	Sender	Summary
11/16	Meadow Lakes Community Council	Regarding Ordinance 11-157 to amend the definition of community councils: "I can understand the intent to give property owners a voice. But I am interested in what the MSB legal department's response will be."
11/21	Ellen Wolf	Re Ordinance 11-157: Feels neither version should be supported.
11/07	MSB Planning Dept.	(Mailing to Interested Parties) Talkeetna Cell Tower public hearing before Planning Commission Dec. 5.
11/19	Zoe Morrison	Re Cell Tower: Too windy for balloon test.
12/05	Phone Call from Mike Wood	Issues with parking at Chase Trailhead.
11/21	Tom Brooks Chief Engineer AK RR	Re Brush Cutting at Riverfront: Saw the concern about this in our minutes. Thought it might be the borough revetment cutting. "We don't know if this occurred on RR lands."
11/27	Becky Long	Requests that the Talkeetna Community Council, Inc. file a Motion to Intervene in applicant Alaska Energy Authority's Preliminary Permit of the proposed Susitna Watana Hydroelectric project, project P14241.
11/30	Becky Long	Documents related to motion to intervene. (Hard copies available).
