

# Groundwater Protection and Water Wells Discussion

HOSTED BY THE DEC DRINKING WATER PROGRAM

*Please join us for an open discussion*

## Purpose

- To provide information and raise awareness about water wells, the importance of groundwater protection, and related public health and safety issues.
- To gather additional issues and concerns from participating stakeholders, then agree on a list of both short and long term issues that need further consideration.

## MEETINGS

### SOLDOTNA

4-6PM OCT. 1ST 2012

DONALD E. GILMAN (KENAI)

RIVER CENTER

514 FUNNY RIVER ROAD
