RSA Committee of TCCI REPORT

1. The Board approved use of RSA funds not to exceed \$750 per year to plow the new parking area near the end of Mastodon, should such parking lot be constructed.

2. The Board discussed Mat-Su Borough public notice MSB007734, regarding the use of Beaver Gravel Pit as a site for helicopter training of Talkeetna Ranger Staff for coordinated search and rescue operations. The Board had concerns about potential interruption of Gravel pit operations, but this seemed to be adequately addressed by Section 4. C. of the Temporary Land Use Permit.

3. Following road projects are slated for summer 2021
 - E. Moose Hollow Ave. and E. Hillside Dr. / Rock crusher - Surface material very course.
 - E. Whigmi Rd. / Rock crusher - Course surface , access road to trail head
 - E. Woodpecker Ave. / Rock crusher - Collector road heavy traffic, Railroad service trucks, Tour buses.
 - S. Mt. Brooks Dr. / Road failure repair in areas where mud mats have been needed in the past.

Plus calcium application coming soon
